The Early History of Athens

Origins and Mythology

The origins of Athens are shrouded in myth and legend. According to Greek mythology, Athena, the goddess of wisdom, and Poseidon, the god of the sea, both wanted to be the protector of the city. The myth says that Athena won by offering the olive tree, which was very important for food, oil, and wood. The city was named after Athena, and her statue was placed in the Acropolis, the hilltop fortress.
