Political and Social Landscape

Between 2018 and 2019, Myanmar was navigating a complex transition from decades of military rule toward a more open political landscape. Following the historic 2015 general elections that resulted in a landslide victory for Aung San Suu Kyi?s National League for Democracy (NLD), the country experienced a period of cautious optimism. However, lingering military influence, ethnic conflicts, and human rights concerns persisted, notably with the Rohingya crisis that garnered international attention in 2017 and continued into 2018-2019.

For travelers and researchers, understanding this political backdrop was crucial. It impacted travel advisories, regional stability, and the overall safety environment.
