Mercantile law, also known as commercial law, refers to the body of legal rules and regulations that govern commercial transactions, trade practices, and the operation of businesses. Its primary focus is to regulate the conduct of merchants and traders, ensuring that commercial dealings are conducted fairly, transparently, and efficiently.

The scope of mercantile law encompasses various areas such as contracts of sale, agency, partnership, bailment, negotiable instruments, and insurance. It bridges the gap between the general law of contracts and specific business-related legal issues, providing a specialized framework tailored for the commercial sector.
