Origins and Background of the Good News Bible

The Development of the Good News Bible

The Good News Bible, also known as the Good News Translation (GNT), was first published in 1966 by the American Bible Society. It was produced by a team of biblical scholars and linguists with the goal of creating a translation that was easy to read and understand, especially for those with limited literacy skills or for whom English is a second language. The translation draws heavily from the original languages?Hebrew, Aramaic, and Greek?but emphasizes clarity and simplicity in its language.

The Translation Philosophy

The philosophy behind the Good News Bible is dynamic equivalence, which aims to convey the thought and meaning of the original texts rather than a word-for-word translation. Inclusion of Deuterocanonical Books

Originally, the Good News Bible was based primarily on the Hebrew Masoretic Text and Greek texts, which typically exclude the Deuterocanonical books recognized by the Catholic and Orthodox Churches.
