Inspired by tales such as "Beauty and the Beast" and integrating her love for mythology and fantasy, Maas crafted a story that reimagines traditional fairy tale motifs within a dark, mature context. The first book was published in 2015, quickly gaining popularity for its daring approach to romance and fantasy tropes.

Evolution Across Books

The series comprises multiple installments, each expanding the universe and deepening the narrative complexity:

At its core, ACOTAR's universe is divided into two primary realms:

- The Human World: A contemporary setting, often depicted as mundane and oppressive, where the protagonist, Feyre Archeron, begins her journey.
- The Fey Realm (Prithian): A mystical land inhabited by powerful, immortal beings known as the Fey, characterized by diverse courts and cultures.

The transition between these worlds is a central motif, symbolizing transformation and self-discovery.
