that resonate with their developmental stage. The seven habits model, originally popularized by Stephen Covey, is adapted for children to focus on personal growth and social skills in an accessible manner.

Encouraging Self-Regulation and Responsibility

Having tangible reminders helps children develop self-regulation skills. When they see posters emphasizing habits like 'Listening First' or 'Think Win-Win,' children are prompted to reflect on their actions and make conscious choices. Over time, these visuals can foster internal motivation and a sense of accountability.
