Running Stitch

- Thread your needle with your chosen embroidery thread and knot the end.
- Bring the needle up through the fabric at your starting point.
- Insert the needle back into the fabric a short distance away (about ¼ inch).
- Bring the needle up again a similar distance from the last insertion point, creating a dash.
- Repeat these steps to form a continuous line of stitches.

Backstitch

- Start with the needle up at the beginning point.
- Insert the needle one stitch length ahead and bring it up through the fabric.

- Go back into the previous stitch hole, creating a continuous line.
- Repeat, always working backwards to the end of your line for a smooth, unbroken outline.

Satin Stitch

- Bring the needle up at the start of the shape to be filled.
- Insert the needle directly across the shape, bringing it up close to the first point.
- Fill in the shape with closely packed parallel stitches, keeping them even and smooth.
- Ensure stitches are aligned and cover the entire area without gaps.

- Bring the needle up through the fabric where you want the petal to start.
- Insert the needle down a short distance away, leaving a loop on the surface.
- Bring the needle back up through the fabric just inside the loop.
- Hold the loop with your finger and pass the needle through the loop to secure it, forming a petal shape.
- Repeat for each petal, anchoring each with a small straight stitch at the base.

French Knot

- Bring the needle up through the fabric at the desired knot location.
- Wrap the thread around the needle 2-3 times.
- Hold the wrapped thread in place with your finger and insert the needle back into the fabric close to the original exit point.
- Gently pull the thread tight to form a small knot on the surface.

Stem Stitch
