What is Jyotish (Vedic Astrology)?

Jyotish, often called the "science of light," is an ancient Indian system that studies the influence of planets and stars on human life. It is believed that the positions of celestial bodies at the time of birth shape an individual's personality, health, relationships, career, and spiritual destiny. Its primary goal is to provide guidance, remedial measures, and insights to navigate life's challenges effectively.

What are Mantras?
