- **Res cogitans:** The thinking, non-material mind.
- **Res extensa:** The physical, extended body and matter.

This distinction leads to significant discussions about the mind-body problem, consciousness, and personal identity.

The Existence of God

In later meditations, Descartes presents philosophical arguments for the existence of God, including:

- **The Trademark Argument:** The idea of a perfect being (God) must have been placed in us by a being that actually exists, because we could not conceive of such a perfect being without its existence.
