Understanding the origins and evolution of this behavior reveals much about human nature and societal development.

Historical Roots of Taking Sides

Ancient Civilizations and Tribal Alliances

In early human societies, taking sides was often rooted in tribal affiliations and kinship ties. These alliances provided security, resources, and social cohesion. For example:

conflicts:

- Greek City-States: The Peloponnesian War (431?404 BC) exemplifies how city-states like Athens and Sparta took sides, leading to a protracted conflict that shaped Greek history.
