Doshas and Their Influence on Diet

Ayurveda categorizes individuals into three primary doshas: Vata, Pitta, and Kapha. Each dosha embodies specific qualities and governs different physiological and emotional states:

- **Vata:** Light, dry, cold, and irregular. Vata types are often energetic but prone to anxiety, dryness, and irregular digestion.
- **Pitta:** Hot, sharp, oily, and intense. Pitta types tend to be fiery, competitive, and prone to inflammation or acidity.
- **Kapha:** Heavy, slow, moist, and cool. Kapha individuals are stable and calm but may experience sluggish digestion and weight gain.
