Plot Overview and Narrative Structure

Synopsis

The novel centers around Elizabeth Egan, a young woman who works as a social worker and is dedicated to helping others. Her world is upended when she uncovers an old, mysterious ledger detailing the names of a hundred individuals. As she investigates the ledger, Elizabeth learns that each name corresponds to a person whose life has been affected?directly or indirectly?by her own actions or those of her family and community.

The story is structured as a series of interconnected vignettes, each focusing on one of the names listed. Through these mini-narratives, Ahern weaves a complex tapestry illustrating how small acts of kindness, negligence, or malice can have far-reaching consequences.
