1. Locate Your W-2 Form

Answer: The W-2 form is issued by your employer and reports your annual wages and withheld taxes.

Explanation: The W-2 is essential because it provides the income information necessary to complete your tax return accurately. It includes details like wages earned, federal income tax withheld, Social Security, and Medicare taxes.

3. Identify Your Filing Status

Answer: Options include Single, Married Filing Jointly, Married Filing Separately, Head of Household, or Qualifying Widow(er).

Explanation: Your filing status affects your tax rate and eligibility for certain credits. The answer depends on your personal circumstances.

4. Locate Your Bank Account Information

Answer: Needed for direct deposit of your refund.

Explanation: Providing accurate bank details ensures a faster refund process. The answer underscores the importance of having this information ready.
